“ I just heard today of Christine’s passing!. I feel devastation and sadness in the loss of such a wonderful person. We worked together and attended school together and shared many great times. You will always be thought of as someone who lit up a room and brought joy to those around you. What a kind soul. Our hearts maybe empty but Heaven is a little beautiful today.

“ Christine came to the beach with my family back in high school. I have so many hilarious memories of our shenanigans that week. We stayed on the beach for 12 hours each day. I got sun poisoning, but we kept going out at 6:30 am every day to soak up every bit of sun. Chris was fun, silly, always so kind. I will remember her just like that. Too kind for this world.... peace to Christine, and to Pat and Mr.

“*Dear Mr. Shanahan and Patrick, please accept my sincere condolences on behave of Christine's passing. I know that she is in peace with her mother and older brother. We all should look forward to the day in which our Lord Jesus Christ is ready for His next brother or sister in Christ to enter the Kingdom of Heaven. Christine was a dear friend that I hadn't seen in quite a few years, but I never forgot her as a classmate of mine at OLP (Our Lady of Peace) grade school. She will certainly be missed by all who had the chance to know her, she was always a lovely person, and had a beautiful smile. May she rest in peace, may the Lord keep us all safe during these troubled times that the world seems to be going through now, and when it is our time we can join our sister Christine in Heaven.*

May the Lord Jesus Christ keep us safe and free from all sin until the angels of the Lord are called upon to receive us all into His Kingdom. Amen.

*Sincerely,
Michael J. Harris*

“ I feel like I can't breathe, but I know you are at peace. We grew up together. So many wonderful memories...I could fill this site. Remember hiding behind the bushes at the front of your house and singing "Take The Money and Run" as loud as we could? 🎵 Hoo-hoo..This is a story about Billy Joe and Bobbie Sue...🎵 And so many other adventures all 12 years of school. You knew all my secrets. You were so pretty, and kind and fragile. No one loved animals as much as you. It was your very nature to 'rescue'. I will always love you. Eternal rest grant unto her, oh Lord, and may perpetual light shine upon her. May her soul and all the souls of the faithful departed rest in peace, through the mercy of God. Amen. Rest easy my friend, til we meet again to make happy mischief in Heaven.
