“ My thoughts and prayers go out to all those who loved him.... his family and son and especially to Shari, the love of his life and his soul mate. The love you two shared just looking at each other on the hospital steps on that Sunday is forever etched on my heart. May your memories sustain you during this difficult time and give you peace knowing that he will be sorely missed by many.... especially in Pawley’s Island. May God shed his light on you and give you peace.

“ Blair was the most incredible ray of light. I always said your Barefoot Barista was a spiritual center masquerading as a coffee shop. I'll never forget when we gave Blair his massage table and how excited everyone there was. Even better was the community healing session that followed. I don't know of a more positive influence on people and a community. Just purity of love, sincerity, and service to others. I can't believe the world has lost such an incredible force; he has to have merely moved to a place where his influence and reach is even more powerful.  
Huge hug Shari.

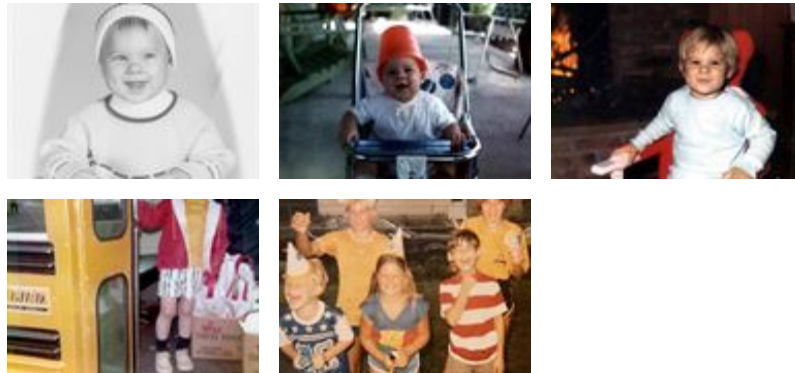

With love,
