“ Chris and I were great friends, practically inseparable, all through high school and for years after. Though I moved away and my contact with Chris became lessened, I could still look back and call him one of my best friends. I always wondered what Chris was up to or when we might bump into each other again. I'm deeply saddened to know that I will only have memories of the great times we shared, memories that will live with me for the rest of my life. Chris Perry, a true and loyal friend, a huge heart and a great spirit -you will be missed by many. Deepest sympathies to the family and those who were close.###imported-begin###Brad Howland###imported-end###

“ I was saddened today to learn of Chris' death. Chris and I went through Paul Knox and NASH together. His devilish smile just stands out in my mind, along with his beautiful blue eyes. I have nothing but fond memories of Chris. May God keep you folded in his arms as you go through this time. I hope the joy found in Chris' memory will sustain you.##imported-begin##Lisa Nelms Murphy##imported-end##

“ My deepest sympathy to the Perry family. At this time of sorrow, remember that Chris will always be as close as a memory of good times, laughter, strength, and warmth that he shared with family and friends throughout his life. I will always remember his smile, his blue eyes, his adventurous spirit and the love he had for his family. My heart aches for all of you but I know that together you will celebrate his life and cherish his girls to see them through. With love and sympathy at this difficult time.##imported-begin##Tanya Strickland##imported-end##

“ Chris was the first kid my age I met when I moved to N.A. in 1974. We tore up the trails through the woods around Bolen Rd on our bikes, and went all the way through school together. My memory is full of the many good times we had. I am sad today as are all that knew him, peace to you my old friend. My deepest sympathies go with his family.###imported-begin###Mark Scott###imported-end##
