“ Chris was always a kind thoughtful young man. He appointed himself protector of his brother and his two sisters, Marcus, Shannon and Pamela. He always had kind words about others. He spent a lot of time growing up with my Renee cruising and roller skating and hanging out. So much so it felt like they were my kids too! Loved them as much! Chris will be missed but there is a peace knowing he is with God and up there looking over his whole family, Christy, their 4 children, his siblings, Mark, Shannon, Pamela; his Aunts, Uncles, and cousins! He is there wit God & Jesus. With his Grandmother Smith and his cousin Michelle (Shell). Listening to the Angels sing. I look forward to seeing him and giving him the biggest hug when I see his face up there. Aunt Francine. Love you forever Chris!

“ This is our precious son in law who has endured so much pain through his struggle and fight with his battle with cancer. He is now with the Angels looking over his family. I know above all things that he loved his family with all his heart. Our hearts are broken but we know we will see him again one day. He is now free of pain and resting peacefully. We love you Chris. Thanks to all those that sent prayers and have supported us through this unbelievable and tragic situation, but keep the prayers and support coming, we still need that to just get through.
