“ You made every day au Krogers the best. You always had a smile on your face no matter what. Always speaking to everyone. My prayers go out to your family. What a beautiful soul we lost.

“ Cindy.. you were a mess.. lol.. a beautiful mess though.. always kept it classy too. I will never forget our conversations at work.. the good and the bad. I’ll never forget those skinny cigarettes (that you claimed you really never smoke them) and your red lipstick. Your love for your cats.. moxie and Smokey the pokey.. and your love for your family. I remember the way you would “clutch your pearls” and laugh when we would talk trash about people, and then you would say “oh well they probably say worse about me” But people loved you.. I wish you knew how much..
