“ *Claudio gave me his recipe for his pork pasta sauce. When ever we saw each other in the break room he would say hey come try this and tell what you think. Of course it was always divine. He loved to share even his hugs. Gonna be really missed my friend, you left us way to soon. My heart goes out to his family.*

“ My memories of my wonderful uncle include sitting outside on the swing reminising and laughing about the past. Cooking huge dinners and having everyone over to eat. Sitting with him and caring for him while everyone was working. His smile, his hugs, and his laughter will be with me always. I love you Tio.

“ One of my favorite memories of my father is our yearly Christmas ritual. He would pick me up during the first snow of the year and drive slowly around the streets of NYC. We would enjoy the Christmas lights and sing along to Christmas songs on the radio.
