“ *It was always a treat to hear stories of Mr Hill from Preacher Blizzard's pulpit. It was evident that he grounded his family with Christian values and those have carried on in the lives of his children and grandchildren. I'm sure he will be missed but I'm so thankful he left such great memories behind. My prayers are with the family.*

“ To Debbie, David and Carolyn, Your Father will be geatly missed. He always welcomed me into his home and treated me as a brother. Over the years, it was a joy to visit your momma and daddy, and share stories of our past, and our children. Enjoying each one of you as you grew into adulthood. For those times and memories I will always be thankful. To each of you, I owe a debt of gratitude for taking time to receive me and my family into your homes whenever we visited in Augusta and Anderson. I found my visits with your dad the last few years especially endearing when we stopped for a night or two to chat, break bread and pray together. I could not have had a better brother-in-law than Clois. Our love and prayers to each of you and your families, always. Uncle Ed and Mary Ellen.
