“ Clyde and I worked together on Youth Speech Contests when I was in the N. Augusta Toastmasters. I hope I helped him and the young people as much as he helped me. He was a fine person, a gentleman in every sense of the word.

“ Mike, Debbie and to all of the family, our love and prayers are with you at this difficult time. We know how much Gran was loved by all and how much he loved his family. He had great joy in his family and I remember how much he loved giving presents and toys especially to the children. It didn't have to be Christmas even, but what a great way to honor and remember his life, to give to Toys for Tots. I can still see the excitement in his face as he handed out some presents to the kids. I know he would be very happy for each toy we give. I also have to comment on Grans chickens. I have always had a wish to have some and watching his chickens in the back yard and seeing how much he enjoyed them, I have to thank everyone who helped make that possible for him, helped to house them and care for them. Seeing how he could care for his there in town inspired me to know I could do it too, and I now have some of my own and know even more now how much joy they must have given Gran. Thanks to all of your family and God Bless You all!! I know GRAN has been much loved and will be greatly missed.

“ I am proud to be you son in-law, and to have known you for 35 years. Clyde you were one to champion the Dixie Youth Baseball for close to three decades in Aiken County. You are a father that others should emulate. I could have learned a lot more from you than I did. Make sure you give everyone a copy of your poems in Heaven, and I expect you to greet me when I arrive, no I won't need a cart sir. I love you and Miss you Pop.###imported-begin###Richard D McDonald###imported-end###
