“ Robbie and Kelly, I am so very sorry. I knew I hadn't "heard" from you in a while, and the Lord had brought you into my mind. Then I saw your post, and understood... There just aren't words, but thank goodness we have the hope of Jesus' resurrection and the knowledge that as believers, we will be reunited with our loved ones!

May God bless you - especially during the holiday season.###imported-begin##Jacki Hillis Wiegel###imported-end##

I've been thinking so much about you, lately...you are so so missed, you have no idea! Everyone misses your crazy self, you brought so much joy to anyone who was within 10 feet of you! So hyper and excited all the time! :) I still can't believe you are really really gone! Ahh its unreal, but I know you are in a better place and partying it up in heaven :) love you cody! So so much! Thanks for being apart of my life for the few years that you were!!###imported-begin##emily nichols###imported-end##

“ *The loss of a child is perhaps one of the most difficult & painful experiences in a parent's life to endure. Please find comfort in God's promise to end all pain & suffering that comes with the loss of a loved one. I hope you will find the Bible account at Luke 7:11-15 where Jesus raised a widow's son to be comforting.##imported-begin##Paige##imported-end##*

“ My thoughts and prayers are with you right now. Cody was such an amazing person and a great friend. In high school he was always the one who would do anything without caring what anybody thought. He always knew when something was wrong and how to make me laugh and forget my problems. He will truly be one of a kind and will be missed dearly.##imported-begin##Brittnee Franke##imported-end##

“ I didn't know you, but I still think everything that has happened is so sad. I read how many people you left behind that love you.

*Anyway, I hope someone in your family reads this and knows they are in my prayers.*

*I know your friends will always love and remember you. Even though we weren't friends, I feel like this hit me just as hard as anyone else who goes downtown. All those kids are family. There will always be a missing piece now that you're gone.##imported-begin##sila##imported-end##*

“ Cody was an amazing person. He was always the funniest out of the group, always knew how to bring a smile to everyone's face, whether he had to embarrass himself or not. He could light up a whole room in a matter of seconds. And Cody, I'm sorry I took the time we had now for granted. If I knew that there was only a short matter of weeks that you were left here with us, I would have done so many things differently. I'm so sorry. I think about you everyday, every where I go. We've shared countless numbers of memories, some good and some bad...but most of all you were the one there with me through it all..That's all that matters. Even though I can't see you, I know your still here watching over all of us. I love you Cody Lee Landrum. You'll always be my Codybear.

*And Mr. Robbie & Mrs. Kelly, I love you both and you and your whole family are in my prayers and my heart.##imported-begin##Cayley Carlisle##imported-end##*

“ Hey man,  
I'm gonna miss you so much brother. We've shared so many times together. But we always worked through them man. We pretty much shared the same brain in music. The reality of this is overwhelming but I'm gonna keep my head held high in great hope of seeing you in the next life. I'll keep your family in my prayers.

*I love you like a brother man!!!  
No homo! Fa show! haha*

*I miss you like no other bro!!*
