“ *Connie was a wonderful friend. She will be sorely missed. When I encountered any challenge, Connie was always there to help. She was like a sister to me. She took care of anyone who needed her. She had a heart as big as the universe. We laughed together, cried together and had so much fun together. I could always count on her to be honest with me. She made me a better person. I shall miss her so much but we will see each other again in a better someday. Connie loved her family, friends and her students. There were so many student she took under her wing and nurtured. Connie will be missed by so many.*

Connie was such a wonderful person. She left her spirit in so many hearts. I totally agree Marianne, Connie was a loyal friend. All you had to do was mention a need and she would do anything she could to help you. The world will somehow be less comforting without her in it. Not seeing her recently will be a great regret for me as I always thought I'd have time. I will miss her.
