“ *What a sweet and giving lady! Connie would bring us fresh baked cheesecakes to the office. We will deeply miss her. She would always brighten our day when she came for her dental appointments, and was always an uplifting type individual. What a privilege to be her dentist! Ben Timmerman D.M.D*

“ Bob:

Joann and I, would like to express our sympathy on your loss, we regret not being able to do more together with you both we loved the time we did get together. Wish we could have made that trip to Maine together in the RV. Our hearts are sad today. And our prayers are with you. We are trying to get our health problems worked out so we can go see our great grand kids, but they are going to be able to come here this month. God bless and help you through this loss.

“ *Gramma I will miss you more than words can ever say. I value every second I got to spend with you and moving to Augusta from Washington was one of the best decisions I have ever made in my life. You have added more joy to mine and my children's (Alexandria and Elizabeth) lives than anyone could ever ask for. You will be missed so much. I know you are looking down from heaven and I promise to make you proud and one day we will see each other again. I LOVE YOU FOREVER AND ALWAYS.*
