“ *Connie will always be remembered fondly in my heart. She was angel who visited us for just a little, yet managed to bring joy to all those she came into with. She was inspiration to co-workers, patients and families at Hitchcock. She never failed to bring a smile to my face on a bad day. Connie strived to live each day to the fullest, no matter how life tried to hold her back. I only want to tell Connie farewell for now. I'll see her again in Heaven for I know that she was a true believer. Her family will stay in my prayers.##imported-begin##Tina Paysinger##imported-end##*

“ *Connie was my dear friend since 1978, 29 years. Connie's life was a model to follow. She was always positive, upbeat, inspiring and encouraging to everyone. I'm glad that she is in her light body and can prod me on from there. I'm sure that she will have some suggestions for our Creator and give Her/He plenty of laughs.##imported-begin##Virginia Nell LaMastus##imported-end##*
