“ Cora Lee was the laughter, rock, and joy of the Oxford family. She could always find a funny comment no matter what the circumstances. Upon my many phone talks with her she always told me, "God don't like ugly, Shirley". I will miss her dearly. I loved talking to her. She was always so uplifting even when she was in pain or sick. She loved all of her family so much especially her "boys". She was a great mother, grandmother, cousin, and friend. She always told the truth no matter who it hurt. I will miss her always.##imported-begin##Shirley C. Smith##imported-end##

“ Cora Connell was a strong woman, one of a kind. I always admired
that she was fiercely loyal and supportive of her sons, who she
loved SO MUCH. Heaven will never be the same. There will be a lot
more talking and laughing with Cora there. She lived a full life and
definitely did it her way. She will be missed by many.##imported-
