“ *Hello to Craig's family. My condolences to you all. Craig was part of our Marine Corps Rockets Team in VN. The team consisted of Bob Daignault (dec'd), Louis Yobbi (dec'd), Floyd Taylor, Gary Vondran and myself Cliff Muehlenberg. I believe Vondran is alive. Like others, his was the first Christmas card to arrive always the day after Thanksgiving. He was a welcomed light in a very dark part of our lives. He was a good friend to have in those circumstances. God bless you all.*

“ I was so sad to hear of Craig's passing. I worked with him for many years at Graniteville Company and had the privilege of working with him at Gregg for over a year. His intelligence and wit helped make that time a joy. Our first Christmas card every year was from him and his fur babies, always a reminder of his love of nature. I will miss it and the memories it always brought to mind of our Graniteville Company family. My prayers and condolences are with his family. Jan Randall

“ I was deeply saddened to hear of Craig's passing. I am reflecting back over the years I was fortunate enough to work with Craig and call him my friend. To this day, I still have wild turkey feathers in my office, a reminder of Craig and his love of all wildlife (except spiders), hunting and the outdoors....Craig would bring me a feather and put it on my desk each time he "got one", when we were working at Gregg together over 25 years ago. So many memories and so much knowledge I gathered by knowing and having Craig in my life. Praying for comfort and peace for his family.
