“ Curtis my Friend.....No words can express how much I will miss you. there is too many memories to recall, but the one that still makes me smile is when we was in our teens, Angela & I was down at your Grandparents house- (Saults)- we was taking turns riding the Mini bike and when I was coming back around to complete my turn, I gunned it to steal an extra turn.....:-) You chased me and was hollering to stop, but I kept laughing and kept turning my head to make sure you was not gaining on me.....lol.....well, we ALL know how that ended.....I Ran into the barn and it knocked me off, flat on my XXX.....you was so mad at me, but you could not help but laugh at me.....We had partied together....talked about old Loves, life and still remained Friends throughout the years.....

When one of your Friends was in trouble- lost a loved on- you called me to see how you could help- you had a Big heart and you truly cared for the ones you loved.

Anyone who knew you, knows what a outspoken, carefree- NUT that you were. No one had to guess what you was thinking. You was always Genuine and pulled no punches.

As I sit here and glance over at your picture, Tears rolls from my eyes.....I will miss you Curt- Thank you for the memories!

“ About a month ago Rooster called me out of the blue and wanted to talk. I went to his house that evening and we talked about life, and Mikey, Scott, Dawg, and old times. As I look back over that conversation that evening, it was like maybe "he knew"! Now he is with his old friends and the can keep watch over all of us down here until we all meet again. Our own little band of "hard-living, but good as gold, angels who would do anything for a friend". Rest easy my friend. Give my Mikey a big hug and kiss for me! I will always cherish the evening we spent together in June! My prayers for God's Loving Hands to give his family comfort during their time of loss, knowing that their Curtis is now watching over them too from above. Love, Neecy

Curtis and I had just reconnected about 4 months ago. We knew each other in high school and were good friends until I moved to Tennessee in 1983. I came home in May and June and visited and stayed with my boyfriend Dale while I was home. I got to see Curtis a few times before I came back to Tennessee to take care of some last minute business as I am planning to move back down to SC in August . The times I got to see Curtis again were a blessing to me and I will miss him a lot. Rlp Curtis Rooster Campbell and fly high with the Angels . Sincere, Lisa Mckennon

“ I always liked to call him Curtis Campbell, it kinda has that your in trouble ring you know the one when your mom would call . Curtis was my first pipe foreman and later we worked in the same crew , at PCS Nitrogen. Over the years I learned so much from him and his welder Scott Conner. Now they are together again laying pipe in the sky. Take it easy brother and thanks for all the help and knowledge you never minded sharing over the years, and I will do the same with it .. pass it on

“Curtis was a funny. I used to drive Mama Salts around in his old blue Impala. He was always funny and kind. Although he had his moments he would do anything to help out a friend. God, you took home an angel. To his family, the loss of a loved one is always hard. God just had a better plan. Condolences to his family. S Griffin Maxton N C
