“ Sherri,
I am so sorry to hear of the loss of your sister. I'll always remember so many years ago when she let us drive her car around and around that circle where you lived. I think we were only 11 or 12 years old! I will be praying for you and your family. Hold onto each other and to your faith.

“ Cindy Foreman was my co-worker and friend at the Savannah River Site. She was conscientious in performing and reporting her work to the staff. She was unassuming even though she was perspicacious in the execution of her work. I pray that she be with Christ and that her family and loved ones receive the comfort of Christ's peace.

My heart breaks with the loss of Cindy. She and I started to work on the same day at SRS. She was so beautiful, inside and out, with always a kind word to say. She's with our Lord now in that majestic place we call heaven. Her beautiful smile will be sorely missed. We will be praying for all her family and loved ones.
