“ *Dear Family,*

I was so saddened by the news of your mother's death. She was a remarkable woman and I will hold warm memories of her closely in my heart. How I loved her contagious smile and "girlish" laughter. She was always so supportive of me and my family. Her family meant everything to her. When she spoke of her children and grandchildren, she would beam with pride. After my mother died, she was such comfort to my father. He, too, will miss her greatly. Please know that you are all in my thoughts. Peace be with you.

With love,
