“ *Mr. Dale was a great friend to my father, Boh. I felt like I knew him without actually meeting. My father has many good stories and memories from his friendship with Mr. Dale. I thank him for being there for my father and being a great handyman at one time for my mom. That speaks volumes to the type of man he was.*

I pray from this day forward that all who knew and loved him hold tight to memories. Sometimes it's all we have to bring a smile, when we feel like grieving. I pray God comforts you and heals the sadness day by day.

Thank you Mr. Dale for your sacrifice and service to our country. Most of all for being a good friend to my father.
