“ I met Dale at a CT install in Winston-Salem. He noticed that everybody(with Toshiba) working on the install was left handed! I enjoyed swapping yarns and stories about the Navy with Dale via email through the years. I will miss him.

“ Dale was a good friend and co-worker of mine. We spent many fun evenings while working out of town telling sea stories from the Navy and stories from work. I called and continued to visit him after he retired when I was down for work. Will sure miss him.

“ Joy and I were saddened at the passing of Dale and would like to extend our sympathy to Bobbi and the Demyan family. Over the years we have enjoyed their company and shared life experiences with them. I don't think there will ever be another sailing club member with concern of the clubs well being as much as Dale . It was my pleasure to work with Dale on his favorite event, The annual Oyster roast. He fussed over the details and had the event down to a fine science and always made the outing one of the most popular of the year.....He will be dearly missed. Smooth sailing my friend.

“ Julia and I are deeply saddened by the passing of Dale. He was a kind and a generous person. Quick with a smile, always an encouraging word, ready to lend a helping hand. Passionate about his boat and every aspect of the Sailing Club. He was always eager to share his enthusiasm. We will miss Dale, but are thankful to have known him.
