“ Mr. Jerry Eubanks was a kind and humble person. He was the manager at Rosenthal's where my mother worked for, many years and I was the babysitter for his and Judy's young children on Thursday evenings (their date night). I have thought of you all with fond memories over the years. Judy was a very kind lady and spent time with me in my teenage years.

So nice to hear of someone who knew us all early on. I especially find it comforting to hear kind words spoken of Mom n Dad when together. I don't remember to many times in their early years and as I'm older I find the need to learn more of them that draws me closer to them.

“ *Jerry and I met each other in 2002. We were both working at Greene Funeral Home. Jerry was a lot of things. He was a coworker, he was a brother in Christ, and he was a friend. We shared many meals together and talked on the phone often. He was a giving and caring person to others. After he moved back to Aiken, I would make him a gallon of my vegetable beef soup. When I got to his house, he would have me a pecan pie or a cake of cornbread waiting. Most of the time it was still warm. Meeting Jerry and getting to know him was a blessing. To his family, I say THANK YOU for sharing Jerry with me. I pray the Lord will grant you peace and comfort during this time. I know we will see him again.*
