“ I remember Dani when I first started University. We clicked very well. She was so much fun. We were on planning committees, had many good times at work and get togethers after work. She loved her family, her number one priority. She was taken too fast from us. We mourn such a beautiful soul. I will miss her so much. May God bring peace to her family. My heart breaks for all of them. Much love to the family. Denise Turner-
