“ *My condolences to Dan's family. I was Dan's colleague at the Illinois Education Association. He was a wonderful guy.*

Amen, Brother Scotti. Dan was a co-worker with the Illinois Education Association and most of his work was in the southern part of Illinois. He "rescued" Wally and me on one occasion when we had a gasoline shortage at the Watson-Mason Road south of Effingham and Dan and I spent time in Florida in an organizing campaign. Great guy and Hindman's office partner for much of his time in Effingham. My connection was mostly from his work at that job. My deepest sympathy to the family in this time of distress God Bless Every One/
