“ Well to start off, Daniel was the best person in the world. He always know how to bright up my day and his smile is something I will forever miss. Daniel was the one person I could always talk to about anything and truly give me his opinion on any givin situation. He mainly helped me out with the guy issues. The one problem I had with Daniel was that he would steal food off my plate with his own fork. I will miss that every time I eat. I can truly call Daniel my brother and my parents can call him another son. We all luv you and miss you BRO... like Kenny Chesney said..." I'll see you again some day..." Luv ya BRO###imported-begin###Ashlyn (CUZ-CUZ) Duplisea###imported-end###
