“ Dear Jennifer and family,

My thoughts and prayers are with you. Ray shared few words, but when he did, there was no doubt it was from his heart. His quiet wisdom held much sincerity and meaning. I will miss him greatly, but he will always be alive in our hearts and memories. Embrace the happy moments spent together, and feel the peace that God offers.

Love,

“ Ray , What can I say ? You were like a second father to me. The memories of going hunting & the playfull ribbing at my father will always stick out in my mind. I will also miss the way you would come in and say "Hey there slick!" Even when you used to tease me about having long hair and calling me a girl when I was a child. You were a fun Uncle

Im gonna miss you .##imported-begin##C. Karl Dunagan##imported-end##

“ Dearest family, I am so saddened with the passing away of Ray. He was my friend and I will miss him very much. He was always there for me; to make me laugh, to talk to , to walk with and as a true, one in a lifetime person who gave with his entire heart. He was one of a kind, with compassion and love for his fellow human beings. I know that words can never ease the pain of your loss, but he is in beautiful place now without pain and I think that he is happy there. My deepest sympathy for all of you who mourn his loss.##imported-begin##Betty F. Coleman##imported-end##
