“ *Susan,*

The words are hard to find that express our disbelief and sadness. Knowing the four of us won't be able to share a meal, a conversation or a laugh is hard to fully comprehend. But the good Lord blesses us with memories - memories of Sean and Chris playing with cars on top of your septic tank, Thanksgiving in the Keys, leaving the kids at church while we sneak off to DQ in your VW and many more.

May God bring your comfort today and in the days ahead.

All our love,

Eddie and Vicki

“ Susan, I am so very sorry for your loss. When I think of your family, I always think of those canoe/camping trips with your family, our family and the Canterburys. Those were good times! I always remember a lot of laughing when you and Danny were with my Mom and Dad. I'm praying for peace and comfort for you, Danielle and Sean, and their families.

Love and prayers,
