“ Mrs. Baldy was my favorite teacher. In first grade she taught me to love learning. She'd answer my many questions and loved that I asked them. I only lived in Jackson for three years when I was 6-9 years old and about 10 years ago I returned briefly and saw her in the grocery store. Without missing a beat, she called me by name and asked how I was doing, just like she had seen me the day before. That's a great person. That's a great teacher. She will be missed.
