“ I don't know if anyone will see this, but Mrs. Edna Stephens Kichline was my fifth grade and seventh grade math teacher at Wheeless Road Elementary School in 1977 and 1979, and she is one of education heroes. She was my favorite and I was one of hers!

We spoke throughout the years, as I became an adult, but it has been several years, and I hope she is still alive and well. This year, I am dedicating a brick in her name (and another of her colleagues at the school) in the SC Association of School Administrators new headquarters because they impacted my life so greatly and helped me to become the educator I am today. I love this woman, and still work to earn her praise! Such is the power of a great woman and a wonderful teacher!

“ I worked with Dave for several years in 773A at SRS. He was always a super nice person with a great attitude and smile. We shared a lot of laughs and deadlines and enjoyed knowing each other. Dave was liked and respected by all the people that knew him. He was a special man. My prayers are with you. Gods love to you and yours.

“ I remember Dave as the sweetest person with a great smile and beautiful blue eyes!!! It was always a pleasure to see him and his lovely wife Edna come into Dillards. We so enjoyed the Christmas celebration night. Dave would get a plate of food and come and set in my department while Edna enjoyed shopping. Of course Dave wanted me to share his food. We had lots of fun and laughs!!! Edna and Dave are a special couple and I love them much. My love and prayers goes out to Edna and the family. Much Love
