“ *Uncle Butch was such a wonderful father and wonderful man. He was my moms closest family member here in the south. Our family members are all from Minnesota and some seeded in South Carolina. Butch's daughter Lisa is my beautiful cousin. We are all still blood and Christians in the name of Jesus Christ! Thank you Father for taking care of Butch, in Jesus Mighty Name, Amen*

“ *Butch was more than a friend to us, he was family. As I think of people who helped our family in life, he was one of the most treasured and reliable people we've ever known. We could always count on him and his competency in repairing almost anything. But more than that we enjoyed his company and trusted his character. There's not many people that my mother would leave us in the care of as young children, but she and my dad trusted Butch so much that they could run errands while Butch was at our house and not feel any concern. That says a lot for his character. Butch was a well-loved friend, and someone we could truly looked up to as a role model. His reliable and trustworthy character will be remembered. We are so thankful for his influence and friendship in our lives. He will be greatly missed!*

“ First of all, David J. "Butch" Burdick was a gentleman in the truest sense of the term. He always displayed good manners, was kind to everyone, was polite in conversation, and his word was his bond. Secondly, Butch was extremely smart and talented. He never attended Harvard, Yale, or MIT, but I would put his intellect up against any of those graduates, especially when it came to common sense. He could look at a project and calculate in his mind the most cost-effective and efficient way to accomplish anything he desired or his customers requested. He was not only clever and sharp-witted in so many aspects of his life, but he also had a very dry sense of humor that was endearing.

Thirdly, Butch was a true friend and mentor to not only his daughter, Lisa, his personal nuclear family, but also to his very large extended family of customers who grew to know and love him as if he was their own kinfolk.

For years, I have joked with him about not knowing what we would do if he ever retired. He would just laugh and say, I know you will figure it out. So far, I have not figured it out and I am not sure I ever will. I am sure he knew he was cared for and loved by many, but I'm not sure he realized just how many lives he has touched and made better over his lifetime.

Butch, there are so many people with a heavy heart today mourning your loss, especially knowing how hard you fought the Covid-19 virus over these last several months. We know you were a warrior and gave it your all in your effort to come back to all of us. Just know that we appreciate and honor the life you lived and that you will always be loved and remembered!

With Love,

“ Lisa, I'm so very sorry for your deepest loss of your loving Daddy!!! My deepest sympathies go out to you!!! May God's Love and Peace be with You during this most difficult time! Uncle Butch will truly be missed by so many family, friends, and his customers! He was always so very kind, very helpful, and oh, so funny! I'm going to miss his wonderful sense humor, too! He was a truly good man! He took such good care of us when we were younger, while Mom and Dad were both working, and such good care of you as well, your whole life! I'll be forever grateful for your Daddy, Uncle Butch, and his love in our lives, for all of us! God rest his soul! Your Daddy will be forever in your Heart, and ours, as well!
Love you,
Vicky Olson

“ Butch was the most talented person I know. He could fix everything. He had a way about him that made everyone around him feel safe and confident. Most people go through life never feeling that way. He never acted like he was better than anyone, but only lead by example. Butch you have truly left this world a better place, I will miss you.
