“ I first meet Dave thru the Singles Department in 2009. He was so faithful in his service there. But I also enjoyed his friendship and knowledge of stamp collecting in the Augusta Stamp Club. He served there as well faithfully. His lightheaded humor will be missed.

“ I met Dave through a mutual friend playing trivia. He was a very intelligent and quick thinking guy who was definitely an asset to any trivia team! He was very loyal to his friends and I was very happy a few years later to hear he had met Kim. I befriended them both and have followed them on facebook, always happy to see that such nice people were enjoying life and spending time together. I know that he will be missed by all of those who knew him.

“ Dave had been a large part of our single adults ministry at Warren Baptist. He was always faithful in anything that was going on in the singles department. I remember when he was taking part in a weight loss competition and he continued even after the contest was over to lose more weight. If I remember correctly, he lost about 170 lbs. He would come tell me each week how much more he had lost in the previous week. He was a friend of my daughter until she lost her fight with cancer and I sort of became a mom figure to him. I tried to encourage him in his weight loss. So glad he and Kim became good friends, they seemed mint to be together, but God had other plans. Praying for family and Kim. There will never be another Dave and a servant of our Lord as her was.

RIP Dave.

“ Just the other day I had viewed some of Dave's pictures from Europe, I thought he was still on the trip. Remember our times at Applebees with the Posse after the ACS dance and decorating Christmas tress the first year I was a member at ACS

“ Pat, Andy, and Michelle; my heart breaks for you. I don't know why God chose to take David away from you far to early. It feels inadequate to say that you are in my thoughts and prayers, but I send my love and prayers during this time of unimagivable sorrow. Celebrate the joy David was in your lives and his memory will never fade.

Love and prayers to you. Lisa Geyer

“ Dave was a good friend of mine. I remember he was very proud of his stamp collection. Dave had refined taste. He liked to go to museums and art galleries. I enjoyed his posts and pictures of his European travels. He seemed so healthy. Condolences on his passing to all his friends and family.
