“ *My heartfelt condolences to the Cooper and Carpenter family. I had the pleasure of meeting David in 1995 while working at the Depot gas station,he made me feel like i had known him my entire life because he was a genuine,friendly,caring person always with a big smile,if i was having a bad day it was over when he walked in. There is a quote that reminds me so much of David "From the abundance of the heart the mouth speaks-if your heart is full of love you will speak of love".David always spoke of his love for his wife,children and his grandchildren.He adored his family.May God grant you all peace and strength in the coming days.David will truly be missed by many.*

“ *When peace like a river attendeth my way,
When sorrows like Sea pillows roll,
Whatever my lot, Thou hast taught me to say,
It is well, It is well with my soul.
It is well, with my soul.
It is well, It is well with my soul.
Though Satan should buffet, Though trials should come,
Let this blest assurance control,
That Christ hath regarded, My helpless estate,
And hath shed, His own blood for my soul.
It is well, with my soul.
It is well, It is well with my soul.
My sin, O the bliss this glorious thought,
My sin, not in part but the whole,
Is nail to his cross and I bear it no more,
Praise the Lord, praise the Lord, Oh my soul.
It is well, with my soul.
It is well, It is well with my soul.
And Lord, haste the day
When the faith shall be sight.
The clouds be rolled back as a scroll,
The trump shall resound and the Lord shall descend.
Even so, It is well with my soul.
It is well, with my soul.
It is well, It is well with my soul.*

Keep our heavenly father laughing until we join you!

“ I was so sorry to hear the loss of David. He has been a long friend of the Madison Family during high school days with my sister, Lorraine, my brothers, Eddie, Robert Lee and Elton. He loved our uncle Sam Turner and he called him "uncle Sam ". He would come to give his condolences to the family when there was death in our family. He was a caring, friendly and a loving person. We will never forget him. The last time I spoke to him and Gwen, he would remind me of the days he shared with my sister ,brothers and my uncle. My family and I will miss him. “ *Really shocked to see that David has passed away! David was a "one of a kind" guy. He learned his hard work ethic working in his dad's service station and it carried through in his life. He had a great sense of humor and enjoyed joking around. His jaw was moving all the time and he actually occasionally knew "that of which he talked"! I worked with him a number of years at Arcadian/PCS and he was a great fellow employee. He was totally dedicated to his lovely wife and his children. Deepest sympathy to his family and friends!*

I enjoyed working with him every day during my time with PCS (in Northbrook, IL). We still talked even after we both retired. I loved hearing him sing. My heart breaks for Gwinn and the entire Cooper family. You now have a special guardian angel watching over you.*
