“ I have probably known Jane and David for more than 30 years and worked with Jane at Fort Gordon until her retirement. I remember crawdad boils at the house for David's birthday for many years and Jane & David taking Candice to the Ft Gordon fireworks as a child. At Candice's wedding, daddy David gave her pink cowgirl boots for their father-daughter dance. Jane, I love you and offer my deepest sorrow at your loss. May the Lord bring you comfort and peace in the mourning of your husband.

“ It is with the utmost sadness that I write this. David was such a special and very close friend that I loved. I considered him family. We have worked together for years, shared lunches together, shared our trials with each other, counseled each other, talked about our Savior Jesus Christ together, and supported each other. I am going to miss my friend dearly. David was a very special person and everyone knew him that way. Jane, and family, I never had the pleasure of meeting any of you. I am so deeply sorry for your loss.

“ My condolences to Jane, Candice, and all of the family. I have been a close friend of Jane and David for 32 years. I met and enjoyed working with David in the Equal Employment Office at Fort Gordon GA. It was there I learned of his belief in equality for all. He served as an EEO Counselor who assisted many of the workers with mentoring and leadership. His primary job as an Instructor required a major portion of his work but he willingly took on his EEO responsibilities as the Hispanic Employment Manager for the civilian workers at Fort Gordon. David leaves a legacy of hard work and honoring and helping others when they needed it. He will be remembered by many.

David was a great friend, person and co-worker. He and I worked together at AT&T on many projects and spent much time together. Especially memorable was the time he and I spent in Myrtle Beach preparing the takeover of the cellular network there. He and I spent many days at lunch and evenings there talking and visiting over supper, especially at the German restaurants, as he was a great guide for us to know what type of foods to order.

David was a wealth of knowledge, a very good person, and a strong Christian. I will sorely miss him.
