“ Mr. and Mrs. Foreman, Ali and Foreman family, Drew was one of the most caring and genuine people I have ever known, and even after my time at CBS he was still such a great friend going in to our high school years and he was always so missed! He always had a way to light up a room, a bad day even, and could make you laugh in ways you never thought you could. His heart was amazing and I will always remember him that way. I'm thinking about you all so much.

“ To know Drew was the love him. When I came to SRNL I could not tell I was meeting Drew for the first time. His personality and smile was contagious. Once I heard his story and his excitement of overcoming I felt compelled to check in on him often just to show him he had some additional support. I remember stopping by his desk while he was on a job leaving a note just to check in. I want to believe that note meant something to him because he kept it up as long a I could remember. Drew if I could speak to you know I would say, " You were strong, brave, transparent and through it all an overcomer. You have shown us what victory could look like in the middle of our toughest battles. You have left a lasting impression in our hearts and memories. May God provide comfort and strength in knowing this.

To the Foreman Family: Now may the Lord of peace himself give you peace at all times and in every way. The Lord be with all of you.

“ I honestly don't know where to start I haven't been close with Drew or really anyone from our graduating class but hearing of this happening regardless of how close we were hurts more than I actually thought it would! It immediately brought me to tears! I'll never forget all the fun times we had goofing off in class when we know we're supposed to be paying attention haha or how you could always count on Drew to have your back on the football field! He was ABSOLUTELY someone I trusted FOR SURE!!! Fly High My Friend! You're missed more than you know! Love ya!!!

“ Dear Andy, Lisa, and Family,  
I am so saddened to hear of Drew's passing. So many great memories flood through my mind. I still remember vividly when Drew and my guys rode a skateboard down our very very long steep downhill driveway causing me great panic. Lots of fun times watching our guys play sports. Drew was always respectful the many times he was in our home. These memories, your friendship, Drew will never be forgotten. Love you guys, and I will be praying continually for you.
