“ Mr David was an icon. Knowing Mr David for many years as a neighbor, he was more than someone living next to me. Mr David was the United States of America working man. He was opinionated, patriotic to his country, and most often shared a comical jester. He loved Nascar, but vented when late Dale Earnheart knocked the other man out! Above all, Mr David loved his family and Jesus Christ . I oftened ride my John Deere and stop in conveyance with Mr David..... the John Deere will keep on...##imported-begin##Paul T Towner##imported-end##
