“ *What a wonderful picture of Neal and a face we will always remember. We were fortunate to be "across the street" neighbors and Neal and Peggy were always there for us when needed. When we went out of town (they also) we checked each others' mail and paper boxes and held them until each of us returned. When our wells would fail, we knew that each other would willing let us hook on. Neal had a wonderful garden that he was so proud of and generously provided us with produce that our own garden didn't have that particular year. Of course figs were always offered and enjoyed. Later years would see Neal driving around in his golf cart always speaking to the neighbors who were out in their yards. He was a great "kidder" and he and Ray always had something going. As I look out our window, I know the house is empty but we have those good memories of Neal and Peggy. Lyn and Ray Fleming*

“ Neal was always smiling. He was a ray of light to all that he came in contact with. I was so shocked when I read of his passing. He will be missed by all his Brothers at Acacia Lodge. God Bless the family and comfort you during this time of sadness.
