“ *Found this in the paper today. Was very sad to hear about Brian. I often think about Brian and Dean. I have such great memories of our neighborhood and growing up there. All the neighbors were like a family. I will keep your family in my prayers and remember you in my heart.*

“ We love you daddy! You are forever in our hearts and minds. We will miss our Sunday afternoons watching football together. You are the best granddaddy any little boy could ask for. I cry tears of sadness because I won't get to hear your voice anymore. But I also cry tears of joy because you aren't suffering any more. You went just like you wanted and for that I am thankful. I love you daddy and look forward to the day that I can hug you again.
