“ I am so sad and shocked to hear of David's passing. I met David at Paul Knox when we played football together and have been friends since. He was one my first close friends when I moved to North Augusta. I had some fun times with David some things we shouldn't have done but we were young and had good times together. We didn't always agree on things but we always respected each other option. Over the years we didn't see each other as often but it was always a joy when we did meet up. To the Toole family I am so sorry for you loss.

God bless you my friend

“ When God calls someone home there is never the right words to say to the family that makes it all better.... But I know he is in Heaven with Jesus... Known him and his family for a long time and my prayers go out to all When my mom passed he came over and did some "free of charge" repairs on her home.... He will be missed by many..... My heart is sad....

“ I met David in 1992 when I attended a bible study at his home on Briggs. He was a dedicated person to the LORD and when he became sick last year, we would talk a lot about his illness and his beliefs. I know that he will be missed by all and pray GOD will give you strength to carry through at this time and the future.

“ Our thoughts and prayers are with the family and all of David's many friends. We both knew him well as a strong Republican supporter and Donna knew him as an outstanding home inspector. David will be so missed. No more suffering for God will make him whole. May many happy memories and God's great love help carry you through this very sad time.

What a loss. You know when a loved one goes home, we never have the right words. I dont believe they even exist. We hurt. I must say that my first thought, after shock was that he was finally home with our Lord, and is united with sweet Betsy. His work here is complete. I will pray daily for this sweet family. Knowing loss myself, I could have not got on with daily life without the prayers of others. God's grace is beautiful. When you think of David please remember: We here, on this earth will remember David as "David was" Heaven, however is saying "David Is!" All my love to this lovely family. Kathy Humphrey Blair
