“ Oh how much we love Dave. We know by faith he is now with the one he lived his life to meet, Jesus Christ. One of the most special friends that God gave to our family. He was so special to us and we love him dearly. God bless you with peace knowing that you will see him again in Heaven. God give you comfort when you recall all the beautiful scenes you have of him in your hearts. We will see you Thursday at the service.

Worked for Dave some, as we called him during the 80's at the site. He was always so genuine and very easy to get along with. May God give his family peace and understanding and you move forward. Sincerely,

I have fond memories of Dave as we shared supervisory responsibilities in Reactor Operations. He was a knowledgeable, thoughtful, friendly man who was always ready to help people. It was an honor to have known him.

I worked with Dave in the early 80's. He was my first shift manager for a number of years. Dave taught me a lot. Most of all he showed me how to care for the people around us. He was full of Love and kindness. Although I have not seen him in a while I will greatly miss him.
