“ Kathie, I was looking tonight for an obituary and just saw this about Jerry. I did not know I had not heard and I am so sorry. I am so used to seeing him since he worked at Sears and work with you and it's surprised me. I pray that you're doing well and that God will continue to supply the support the conference and the peace that you need Kathie. Please call me or contact me if there's anything I can do to help you at all.

“ This news truly saddens me. I have known Jerry for most of my adult life beginning with working on several church projects with him and then playing alot of church-league softball together. He was the most positive and genuine person I ever knew. He was the quintessential " hail fellow well met " kind of guy and whether it had been a day or a year, he was always glad to see you and regale you with a story of his adventures or family. Anyone who was around him any period of time knew that he loved God , Kathie and the girls , Wofford Collge and his dog . I will never forget him. My prayers go out to his family at this time .
