“Mrs. Debbie was like a second mother to me through middle and high school. I was best friends with her daughter Amanda and spent lots of time with this wonderful family! She also spent countless hours highlighting, cutting, and styling my hair. These times were always fun because of her loving spirit and humor! There was never a dull moment. She will truly be missed by many who loved her and respected her! To Amanda, Megan, and Mr. Tim, know that she will always live in your hearts and be a guardian angel for each of you and her grandbabies too. I love you all and am praying for you during this time.

“ Debbie's beautiful spirit and caring heart made her an amazing person that I am so fortunate to be able to call my friend. I grew up in her stylist chair and I have missed her highlighting “torture treatment” since she became ill. However painful that 2 or 3 hours was I always looked forward to spending time with her. Her strong faith in God and her love for her family were always apparent. I so admired her faith and her relationship with God. So I find comfort this morning knowing that she is with Him in Heaven.

“ It sadden me this morning to learn of Debbie's passing. The only comfort for me is knowing she's with God. I had a difficult time (selfishly) staying in touch because I didn't know what to say. But me, my daughter Kim, and son Travis all thought so well of Debbie. You couldn't help but love her. She had such a beautiful laugh and always made you feel that she was glad to see you...Even if you did wait too long between hair cuts... Debbie became my friend and hair stylist for 20 years after I walked in one day with, as she put it, hair that looked like "Fright Night at Halloween." She took care of me of the spot and treated me like I was special for years. She came to love my children and they became her customers, too. I loved hearing her talk about Tim, Amanda, and Megan with such love, and the girls (that were family) at the salon. I know too many people will miss her and that includes me. I LOVE YOU DEBBIE. YOU ARE THE BEST. I MISS YOU SO MUCH. FRANCES KOON, KIM PRICE, and TRAVIS WIGGINS...

MY PRAYERS AND HEART GOES OUT TO HER FRIENDS AND FAMILY....
