“ *Was so sad to read that Deborah had passed away. We worked together at Euchee Creek for a long time. I was in the kitchen and she helped me out too many times to list. She was always willing and ready to help anyone. She loved her family so much and talked about them. May you find peace and comfort in the coming days.*

“ *I have alot of great memories sis. I always got you in trouble when you took me with you to clean people house. I tried to flush you kittens down the toilet when you was at school. Mom finally came upstairs to see why the toilet kept on flushing. Your 6 kitten were going around and around. My took them out and dried them off before you got home. I always wanted to be around you when we always came to Georgia's and visited. It's hard to believe your not here. But your not hurting no more. I love you always Big Sis.*
