“ *Gary and Keith...We pray that you feel the healing and loving arms of Jesus surrounding you both. I will always remember that we were the first Healing Team to go out to share the Power of the Lord. Debbie now realizes that Power in it's fullness...IMAGINE THAT! Be comforted in that and her rich memories. Debbie will always be remembered fondly. “ I just want to give my deepest condolences to the family. I recently lost a cousin and the pain was too great. I just want to share something with you that made me feel better. Bible speaks of a resurrection (John 5:28,29). The Bible's resurrection accounts teach us much about the resurrection to come. People who were restored to life right here on earth were reunited with their loved ones. The future resurrection will be similar—but much better. God's purpose is that the whole earth be made into a paradise. So the dead will not be raised to life in a world filled with war, crime, and sickness. They will have an opportunity to live forever on this earth in peaceful and happy conditions. This is what keeps me going. I hope it will with you as well. You & your family are in my prayers.##imported-begin##Renee Austin##imported-end##

“ *Gary and Family - Bill and I are so sorry to hear of Debbie's passing. Please accept our deepest sympathies.*

*I've known Debbie since we were in 3rd grade together at Garfield Elementary. She was a fine person and good friend. Her mom, Essie, was our Girl Scout leader. And both of our mothers became friends, as they were Room Mothers together for our class.*

*I'll always have the special memories of our rides to school together. Our mothers took turns, a week at a time, carpooling us to school. There were no buses back then for transportation to school for us. (We had some pretty cold winter drives to school in Essie's big old Bonneville convertible - Precious Memories).*

*Debbie was a special person and we'll never forget her.*
