“ Don and family, Trip and I were so sorry to hear this news. Our prayers are with you all. I remember babysitting for Kelli and the boys. And Price was the ring bearer in our wedding and Dee Dee cut the cake. And Don, you hired me to work at Belk Howard as a teenager. I have such good memories of your whole family. Mama and Daddy loved having you as neighbors. Love to your whole family.

“ My heart is so sad at the loss of Dee Dee Howard. She loved her family so very much - and she loved her Yellow Jackets! I am so privileged to have called her my friend. No one EVER could manage a pep rally better than Dee Dee. Heaven was ready for her to come, but our hearts were not ready to lose her. She was my encourager and a dear friend. May God give you, her family and her dearest possessions, the peace to get through these days of loss.

What I remember most about Dee Dee, was her total commitment to family and her love for community and friends. These values are hard to find these days. Which in my eyes made her a very special human being and a friend for life .The loss I share with the whole Howard family.

So sorry Don and family, Dee Dee was such a strong and vibrant person. I remember when Shillato and I moved to North Augusta so many years ago and how she was there to help me get settled and find someone to help with baby Jessica. Even though it has been a long time ya'll are always in my thoughts and prayers.

Jennifer saw her recently in North Augusta and told me how great she looked. Again my heart felt sympathy.

She will be missed
