“ *Dear Elizabeth and family....As a volunteer at National Health Care for the past 6 years I have experienced the joy of knowing your sweet mother. That first day on the job I was drawn to her by her sweet, sweet spirit and lovingkindness. She always had a kind word for everyone. I loved listening to her as she shared her stories, Dee, thanks for the memories! Oh how she loved you, Elizabeth and Gilbert. You were so dedicated and faithful. Blessings to you both.*

“ *Elizabeth, I taught with your Mother at NAMS many years. She loved you so very much. When I would visit with her at the nursing home all I had to do was ask about you and she would just open up and really talk about her adorable Daughter. I always mentioned her by name in my daily prayers and I feel sure she is now at peace .God Bless you for bringing so much love and meaning to her life.*
