“ dear Gunther family,

You don't know me, but I was a friend of Denis when we were both at Salisbury State. We had many wonderful times at Ocean City. I remember his grandparents' house in Salisbury, and I stayed over a number of times. We were good pals and I have many fond memories about Denis: he was always cheerful, thoughtful, and a good friend. We lost touch years ago as I moved to California in 1968. I only found out today 2/15/17 that he had passed on. My deep sympathy to you all for your loss. It looked like he lived a full rewarding life. Over all the years I still miss his friendship. sincerely, Bill Cowan wcowan24@yahoo.com

“ So sorry for your loss Jean and family. There are so many memories we all share. Those memories will help ease the pain you are feeling in your hearts today. Just know that you are all in my thoughts and prayers at this time that is so difficult for all. It was a pleasure and so much fun living across the street from you in Florida for so many years. Wonderful neighbors. I know that Denis will be sadly missed by all. God bless.
