“ *Karen,*

*Right now as I am writing this message while you are receiving friends and I couldn't be there in person, but I am with you in spirit. I am so sorry for all you are going through. It is the hardest thing you will ever have to do. You should always remember what a great wife you were and how your love and care kept him going when he thought he couldn't make it. Big "D" was a smart and funny guy and everyone loved being around him. I know that after he has met up with his Lord and Saviour and family, he is having fun with Roy, Pop, Martin, Frog, Scodody and all of the buddies. I promise you, you will get through this but it is very hard. I will be here for you anytime. I love you, Jennifer and Paige and I am praying for you all.##imported-begin##Vicki Bridges##imported-end##*

“ Dear Karen and family,  
I cannot imagine what grief you are going through. It is too soon,  
you were only married thirty years. Your daughters are young and  
need their father too. I am very sorry for Dennis leaving so young.
