“ *Dennis is my cousin. We have not been close since early childhood because of distance. His parents, Uncle Buster and Aunt Happy were always favorites. Mike and Judy who died earlier leave kind memories. Dennis leaves kind memories as one who marched to his own drummer. Gail is the one who keeps us in touch with the family. It is a family whom we visited often when I was a child, and for which I hold deep love and admiration.*

To Dennis's family, we extend our thoughts, prayers and support.
