“ *Uncle Dewey was always one of the first smiles you saw when you walked into a room and along side him was the love of his life holding his hand. Thankful we know he is in the presence of the Faither and reunited with Aunt Jean and all our loved ones. I will always cherish the memories of every summer spent between his and Aunt Jean's house and Mymama's. Friday nights going to eat out or at the football games. The stories shared and the time spent councling through childhood to adulthood have helped mold me and were not taken for granite. Look forward to seeing Ahim again one day.*
