“ *When I was maybe 2 years old, my father was a Pvt in the Army. Money was tight one Christmas, and all they could afford was a baby doll for me.*

Mom stayed up nights making dresses for the doll, I don't remember how many but to a child it seemed like a lot . I told her once it was my "Best Christmas ever." She was surprised that I'd even remember it, so am I. But I remember her smile seeing how excited I was to find another baby dress.

It meant a lot to her to know how special that Christmas was.
