“ *My friend my sister, No one really knew just how close you and I were, But we will always have that bond, We went many years without talking, but you were always in my heart and memories. I have missed you, and now I will be able to talk to you and know you are near. Rip my dear friend, and know that if your beautiful daughters need a shoulder I will be here for them. Until we meet again.*

“ Mom I miss you. You will always be in my heart. I will miss you everyday. My life will never be the same without you here to be in it. You have been taken from us way to soon. A little piece of me died the day you died. I hope your watching over us now. I hope you truly knew how much you ment to me. How much you ment to us. You were one amazing person, you had a heart made from gold. You were always there when someone needed you to. No questions asked. I love you. RIP
