“ *My condolences to the family and friends that loved Donald Lowe.*

I cherish the memories of growing up with Donald and Daniel. I remember the trips to charleston as Donald was starting his life ventures there. I knew nothing about the drywall business but donald was understanding and willing to take me with him. I remember his sheepish grin and the strong sense of mischief that seemed to accompany him.

It is my prayer that Donald knew the Lord and nurtured the gift of Faith given to him by our Saviour. Amen
